Sealite Welcomes New Business Development Manager for USA Marine, State & Federal Markets

Tilton, New Hampshire, USA – July 8, 2021 – Cathleen Sonnentag joins the Sealite USA team as Business Development Manager for USA Marine, State & Federal. In her new role, Ms. Sonnentag will be responsible for the continued growth and development of the Marine North American State & Federal markets.

Ms. Sonnentag brings over a decade of industry knowledge and experience in consumer products, a proven track record of exceeding monthly sales expectations, and an intense focus on the customer.

Sealite Americas Sales Manager, Jason Larrere stated, "Cathy is highly skilled in sales and developing new relationships. I know she will exceed in the level of service and support for our State & Federal customers with her intense focus on strong customer relationships along with her professional background."

Ms. Sonnentag will assume her new role in her hometown in Wisconsin, after product training in Sealite USA's New Hampshire headquarters. In her free time, Cathy enjoys traveling with her husband and two kids, spending time with her extended family, and enjoying the outdoors while gardening.
